Course Information

Course title	ISO 9001:2015 Quality Management System
Course code	C239
Training provider	Tertiary Infotech Academy Pte Ltd (UEN: 201200696W)
Duration	1 day; 7.5 instructional hours (9:30am – 5:30pm)
Delivery mode	Instructor-led, facilitated case work using the connected LionCity Precision Components scenario

Course Learning Outcomes

- LO1: Identify areas for improvement using an ISO 9001 quality management system and perform process improvement.
- LO2: Apply appropriate quality tools and monitor relevant quality metrics and KPIs.
- LO3: Evaluate processes and assess compliance against quality management system requirements.
- LO4: Follow up the QMS improvement process and document continual improvement according to organisational procedures.

Facilitation and Evidence Strategy

- Use the slides for concepts, visual models, scenarios and decision prompts; use the Learner Guide and activity packs for detailed procedures.
- Treat clause references as navigation aids. Learners must explain process intent, evidence and business impact rather than memorise clause wording.
- Each activity produces a practical work product. Observe reasoning, workbook quality, participation and report-back.
- Use the organisation's licensed ISO 9001 copy for formal interpretation; this courseware paraphrases requirements.
